North Dakota Winter Show
Box 1006
Valley City, North Dakota 58072

1975 CROPS SHOW DEDICATED TO DR. GLENN A. PETERSON

The 1975 State Crops Show is dedicated posthumously to the late Dr. Glenn A. Peterson, former agronomist and barley breeder at North Dakota State University. Three barley varieties released during the time he directed the NDSU barley breeding program—Larker, Dickson and Beacon — account for about 75 percent of all barley used by the malting industry in the United States.

Peterson's last variety, Beacon, is symbolic of the plant breeder's influence on barley in the Dakotas and Minnesota and upon his associates. His varieties have brought many millions of dollars of new wealth to North Dakota and adjacent states. Higher yields, plumper kernels, disease resistance and other superior traits give producers more grain to sell and processors better quality than from older varieties.

Peterson served his native state with vigor as a teacher as well as a barley researcher. He was skillful in communicating difficult plant breeding subject matter with ease to his students in the classroom, in the field of greenhouse, or in oral examinations — wherever teacher and student met. He was not only a skillful teacher in the classroom, but could tell about barley improvement, production and processing clearly and eloquently, and with great enthusiasm and competence, to farmers, scientists, barley processors or his own students. He always gave a top performance in the role of an "extension agronomist" at field days or farmer meetings. His work and contribution to North Dakota agriculture has been great and significant.

His associates at NDSU, along with the help of his many friends in North Dakota and other states, have established an undergraduate scholarship in his honor in the Department of Agronomy at NDSU in recognition of this truly outstanding native son.

Rules and Regulations for Exhibitors (All Divisions)

1. Any resident of North Dakota may be an exhibitor, but no person shall be permitted to enter more than one exhibit in any lot except lots 9 and 12, nor shall more than one member of the same family living on the same farm be permitted to enter directly in each open class lot except 9 and 12.

2. All exhibits must have been grown in the State of North Dakota in 1974 by the party entering the exhibit.

3. Entries will not be accepted after 10:00 A.M., Friday, March 7, and judging of open classes will begin at 1:00 P.M. on that date.

4. Exhibitors must state on the entry blank the class, lot number, and the kind and variety under which the entry is to be judged. The officials in charge of exhibits or the judges, reserve the right to make any corrections in class or lot numbers in case of errors. Entries winning first prize will be automatically entered in competition for special awards if such awards are offered for that particular entry.

5. The Crops Show management will not be responsible for loss, damage of mixture of any entry, but will exercise reasonable precaution at all times.

6. All sampels must be properly labeled both on the outside and inside of the container. Entry blanks should accompany all samples and must be signed.

7. All samples become the property of the North Dakota Winter Show and will not be returned.

8. The following minimum quantities will be required for all entries in the open class, and 4-H and FFA Divisions:

FOUR QUARTS (1 Gal.) Wheat, Durum, Oats, Barley, Speltz, Rye, Peas, Beans and Shelled Corn.

TWO QUARTS — Flax, grasses, small seeded legumes, millet and seeds of similar size.

HARD WORK MAKES A CHAMPION

A champion is the best, and it takes dedicated hard work to be the best. For over 90 years, North Dakota railroads have helped North Dakota agriculture perform as a "champion" by providing economical, dependable year-round service.

NORTH DAKOTA RAILWAY LINES

BURLINGTON
NORTHERN

BOX 938 — BISMARCK, NORTH DAKOTA

9. ENTRIES OF LESS THAN THE ABOVE MINIMUM REQUIREMENTS WILL NOT BE ELIGIBLE FOR AWARDS.

10. The management reserves the right, and the judges are authorized to reject any exhibits which in their opinion are deemed to be undesirable or not properly exhibited or represented. Prizes will not be awarded to unworthy samples.

11. In addition to the cash awards; ribbons will be awarded for all placings and the judges may award merit ribbons to entries which do not place.

PREMIUM LIST (Open Classes)

ELEMENTAL SULFUR, FERTILIZER GRADE

When reclaiming alkali soils with sulfur or spreading fertilizer sulfur our elemental sulfur has proven to be excellent. Our sulfur is 97% pure and you only pay for what you get. The spreading properties of our material is excellent according to Don Schuster and Del Strong at the Dakota Aviation Service at Grafton, ND. Don and Del say our sulfur spreads better than fertilizer.

FEED GRADE SULFUR MINERAL

Sulfur, along with nitrogen and phosphorus is essential in the formation of protein. It took a strong advertising program from the American Dairy Association to make us all aware that the human body is replacing three billion cells per minute. Consider the 1000 pound cow! And it takes a lot of sulfur to help build this new protein. Try our recommendations for feeding our mineral to your sheep, beef and swine herds.

STATE 4-H DIVISION

1. All entries from a county must be approved by the County Extension Agent both with respect to:

- (a.) Exhibitor a 4-H Club member in good standing for the 1974-1975 club year.
- (b.) Entry grown and exhibitor enrolled in crops project during 1973-1974 club year.

2. All entries must be labeled to include:

Class - Lot Number - Kind and Variety - Name, Address and County of Exhibitor and 4-H Club Name. Use official entry tags which are available from county agents. All tags must be filled in completely.

3. All entries must be received not later than 10:00 A.M. Friday, March 7

4. Transportation will be paid on 4-H entries which are expressed before February 27 to the:

4-H Division, State Crops Show, Winter Show Building, Valley City, North Dakota. ALL SAMPLES BECOME THE PROPERTY OF THE NORTH DAKOTA WINTER SHOW AND WILL NOT BE RETURNED.

5. Classes open to 4-H exhibitors are the same as those for open class exhibitors. Use the same CLASS and LOT numbers given in the Open Class premium list. Be sure, however, to identify the proper division which will be 4-H.

6. All entries will be placed on a group basis — blue, red or white ribbons. A champion exhibit will be selected in each lot from the blue ribbon group. Award money will be as follows: Blue—\$3.00; Red—\$2.00; White—\$1.00.

7. Top blue ribbon winners will be eligible to compete and will be automatically entered in the open class competition.

8. 4-H Sweepstakes & County Merit Awards.

A county merit ribbon will be given to all counties who earn 25 points or more under a special point system which gives points for the top exhibit in each class from the county plus one point for each additional exhibit from the county. Points that can be earned are as follows:

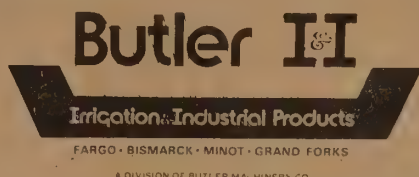

4-H Champion or Open Class placing	5 points
Blue	3 points
Red	2 points
White	1 point
Additional points will be awarded 4-H exhibits that place in the Open Class.

STATE FFA DIVISION

The general rules and regulations apply to FFA entries: In addition, the following special rules will apply;

1. Active FFA members, either in or out of school, are eligible to exhibit grain which they have produced as part of their supervised occupational experience program in vocational agriculture during the previous year. First year members and other members who did not produce grain as part of their supervised occupational experience program may prepare and exhibit one sample of grain produced on an area farm. FFA Chapters also are eligible to exhibit grain grown as a chapter project during the previous year.

2. All entries should arrive not later than 10:00 P.M. on March 6th. Instructors that do not register on the 6th must have entries in by 8:00 A.M. on the 7th. Entries that cannot be brought in may be sent express collect before February 27th. Address shipments to FFA DIVISION STATE CROPS SHOW, NORTH DAKOTA WINTER SHOW, VALLEY CITY, NORTH DAKOTA 58072.

3. All entries must be labeled to include Class and Lot Number, variety, and address of FFA member exhibiting and name and address of the FFA chapter of which the exhibitor is a member. Use the official FFA entry tag and sheet only and have it signed by the instructor.

4. All samples become the property of the North Dakota Winter Show and will not be returned.

5. All entries will be placed by groups (blue, red, or white ribbon) according to merit. A champion exhibit will be selected in each lot from the blue ribbon group. Award money will be paid as follows: Blue, \$3.00; Red, \$2.00; White, \$1.00. Entries not suitable for display will be discarded.

6. Top blue ribbon entries automatically will be entered and judged in the open class competition.

7. Classes for FFA exhibitors are the same as those for open class exhibitors. Use the same CLASS and LOT number given in the Open Class premium list but identify as FFA DIVISION. Use the official entry tag on all FFA entries.

Livestock exhibited here have been carefully selected, and no detail overlooked in their care and management.

DAKOTA MAID FEEDS . . . carefully select all ingredients according to laboratory tests.

Our formulations and manufacturing equipment are up-to-date. Good livestock and Dakota Maid Feeds make a profitable combination.

COMBINED HALTER — CARCASS STEER SHOW

This year for the first time and by authorization of the Livestock Committee, it has been decided to combine the halter and carcass steers into one class. All steers will be paraded for this class, so it is essential that they all be trained to lead. This will be a terminal show and all steers must be slaughtered within ten days for carcass date evaluation. The following exception may apply in the Junior Calf class. It will be optional with the exhibitor to slaughter unless the calf wins Grand or Reserve Grand Champion, in which case the animal must be slaughtered within 10 days also. Data will be published by steer officials.

Halter-carcass steers will be shown at 10:00 AM, Monday, March 10th and must be clean and presentable.

Grand and Reserve Champion steers must remain, for display, at the Show until 2:00 PM, Thursday, March 13th, 1975.

Provision is made for entries in the following:

DIVISIONS AND CLASSES OF HALTER-CARCASS STEER SHOW —

A. Halter-Carcass Classes

The three age classes listed below shall be provided for in the following seven breeds: Shorthorn, Hereford, Polled Hereford, Angus, Charolais, Galloway and Other Breeds.

Summer Yearling — Born on or between May 1, 1973 and August 31, 1973 a steer entered as a summer yearling, but by mouthing is found to be too old, will not be allowed to be shown or sold at the Show. Minimum weight 1,100 pounds.

Senior Calf — Born on or between the dates of September 1, 1973 and December 31, 1973. Minimum weight 1,000 pounds.

Junior Calf — Born on or between January 1, 1974 and April 30, 1974. Minimum weight 800 pounds.

Steers entered that fail to meet the minimum weight requirements will not be allowed to be shown or sold at the Show.

No animal can be shown twice in the Halter-Carcass class. The steer must be owned and fed by the consignor at least 90 days prior to the Show.

The premiums offered shall be as follows for each of the above classes in the seven breed groups:

	1st	2nd	3rd	4th	5th
Summer Yearling	\$50	40	30	20	10
Senior Calf	50	40	30	20	10
Junior Calf	50	40	30	20	10

In case of ties the top award will be given to the steer with highest carcass score.

Halter-Carcass Class steers will be weighed, tagged, and examined at 10:00 AM, Sunday, March 9, 1975. A three percent shrink will be allowed for show purposes. **EXAMPLE:** If you enter a halter steer in the senior calf class according to the rules, it must weigh a minimum of 1,000 pounds. But, we realize that you may weigh the steer at home and it weighs 1,025 pounds, but by the time you get to Valley City, the steer may have shrunk to 980 pounds. The steer is still eligible for show because it is within the 3% allowed. In other words, a summer yearling can weight 1,067 pounds; senior calf 970 pounds; and junior calf 776 pounds and still be eligible to show. However, this shrink is allowed for show purposes only. The steers will be sold on actual weight as weighed on Sunday morning and no shrink will be taken for sale purposes. Sifting will be done, if necessary, to reduce the number of steers to not more than the best 10 head from each of the above seven breed groups.

CHAMPIONS BY BREEDS

Competition in the following classes is limited to first and second prize winners in the foregoing section for Herefords, Polled Herefords, Shorthorns, Angus, Charolais, Galloway and Other Breeds, but no second prize animal shall be entitled to rank higher than reserve in any championship class. No previous entry needed. Entries will be made by the ring stewards after breed premiums are awarded. In case of ties the top award will be given to the steer with the highest carcass score.

	Champion	Reserve
Champion Angus	25	Ribbon
Champion Hereford	25	Ribbon
Champion Polled Hereford	25	Ribbon
Champion Shorthorn	25	Ribbon
Champion Charolais	25	Ribbon
Champion Galloway	25	Ribbon
Champion Other Breeds	25	Ribbon

GRAND CHAMPION HALTER — CARCASS STEER

Competition for Grand and Reserve Champion is limited to the Grand and Reserve Champions of the breeds. Special awards are offered from State and National Breed Associations for Champion and Reserve Champion.

Group of Three Halter Steers: Must have been shown in individual halter classes and exhibited by one owner or family. Breed Champions and an Over-All Breeds Champion group will be selected. Premium to be determined by number of entries. There is no entry fee for this class.

In judging the carcasses, the following quality-quantity index will be used: A carcass must grade at least low choice to be considered for Grand Champion, additional credit will be given up to a choice plus grade, using a weight range from 600 to 750 lbs.; a penalty adjustment of eight tenths of a point for every 20 pounds over or under the recommended weight range. Quality as indicated by marbling, amount of cover and rib eye area will be considered and the report to the exhibitor will include such data on each steer.

SUPREME CHAMPION HALTER — CARCASS STEER

A Supreme Champion Halter-Carcass Steer will be determined after receiving all the necessary data for placing.

North Dakota Mutual Aid Corporation will pay the following premiums: Supreme Champion \$100.00 and Reserve Champion \$50.00. In case of ties the top award will be paid to the steer with the highest carcass score.

B. In all classes, a crossbred or grade steer will be entered and shown in the breed of its sire as shown on the certificate signed by the breeder.

C. **CERTIFICATION** — All entries must be accompanied by a bonafide certificate, signed by the exhibitor and breeder of the steer, indicating the breed of sire and breeder. Month of birth should be indicated also, if known.

D. **MOUTHING** — All steers will be mouthed by competent veterinarians, and will be appropriately tagged at the Show.

Summer yearlings may have the two center temporary incisor teeth replaced by permanent incisors but permanent incisors must not be in use. The remaining six temporary incisors must be in place and there may be no evidence of eruption of any permanent incisors other than the centers.

Senior calves must have all eight temporary incisor teeth in place. There may be no evidence of eruption of any permanent incisors.

Junior calves must have all eight temporary incisors firmly in place. There may be no evidence of eruption of any permanent incisors.

E. TAMPERING AND MISREPRESENTATION — Any artificial means of removing or remedying the physical defects of conformation in exhibition cattle, such as cutting ties or lifting and filling under the skin will be considered as fraud and deception. All animals giving evidence of such treatment will be barred from competition at the North Dakota Winter Show and forfeit all awards. Misrepresentation of the age of an animal will be considered in the same light.

A tie shall not be regarded as a defect unless it is of such nature as to mar or injure what would otherwise be a prime carcass.

F. SALE — Anyone wishing to sell Halter-Carcass Steers which have been exhibited at this Show may do so in the auction for market animals.

**1974 Grand Champion Pen of Steers
Shown by D.M. Iverson, Alexander**

G. PEN OF THREE (3) BACKGROUNDED STEER DIVISION

The North Dakota Winter Show provides classes for backgrounded feeder steers of all breeds. This gives the commercial cattle producer an opportunity to exhibit feeder cattle at this great show window event.

The Backgrounded Show provides an opportunity to advertise and gain recognition for top quality feeder cattle throughout North Dakota and the nation.

Several changes have been made for the 1975 Backgrounded Steer Show: (1) Backgrounded feeder steers will be shown in three weight groups: up to 600 lbs.; from 601 to 800; from 801 lbs. on up. (2) There will be a Champion and Reserve Champion pen selected from each weight group. No over-all Grand Champion pen selected from each weight group. No over-all Grand Champion pen will be designated. (3) Backgrounded feeder pens may be shown by 4-H Clubs or FFA Chapters. The calves must be bonafide projects, owned by one or more individual 4-H Club members or FFA Chapter members. (4) Backgrounded Feeder Steer Pens will be at the show a minimum of time. They may be brought to the show as late as 10:00 AM, Monday. They will be released following the show on Monday, except the Champion pens, which must remain on display until 2:00 PM, Thursday.

Pens will be judged by three judges who will not confer. Points will be earned on uniformity for the pen.

The North Dakota Mutual Aid Corporation will pay \$500.00 in the Backgrounded Pen Division. Champions in each weight group will receive \$75.00 and the remaining \$275.00, along with approximately \$500.00 of North Dakota Winter Show money, will be pro-rated to the weight groups. This will depend upon the number of entries in the classes.

In addition to the pro-rated premiums and special breed association awards, the North Dakota Winter Show will pay \$50.00 to the Champion and \$25.00 to the Reserve Champion in each weight group.

Pen steers which have been exhibited at this Show may be sold in the auction or be consigned by the exhibitor to any recognized and cooperating marketing agency for sale.

"CONSENTING BREEDERS OFFER"

The following progressive purebred North Dakota cattle breeders make the following offer:

"If an exhibitor shows the progeny from one of my sires, I will award the exhibitor \$25.00 for showing. If the exhibitor should win Champion in his breed, I will award the exhibitor \$50.00. And, if the exhibitor should win Grand Champion Overall Breeds, then I will award another \$50.00. Steers must be bred and owned by one exhibitor."

STEER SHOW SPECIAL AWARDS

ANGUS . . . The NORTH DAKOTA ANGUS Association will make the following special award in the Steer Show: \$50.00 to the owner of the Grand Champion steer, if an Angus and \$25.00 to the Reserve Grand Champion steer, if an Angus, \$25.00 to the Champion Angus steer and \$15.00 to the Reserve Champion Angus steer.

The NORTH DAKOTA ANGUS Association will pay \$50.00 to the owner of the Champion Angus carcass and \$25.00 per weight division in the backgrounded pens, provided the winners are Angus.

The AMERICAN ANGUS Association will pay \$50.00 to the owner of the Grand Champion steer, if an Angus, and \$25.00 to the Champion Angus Steer.

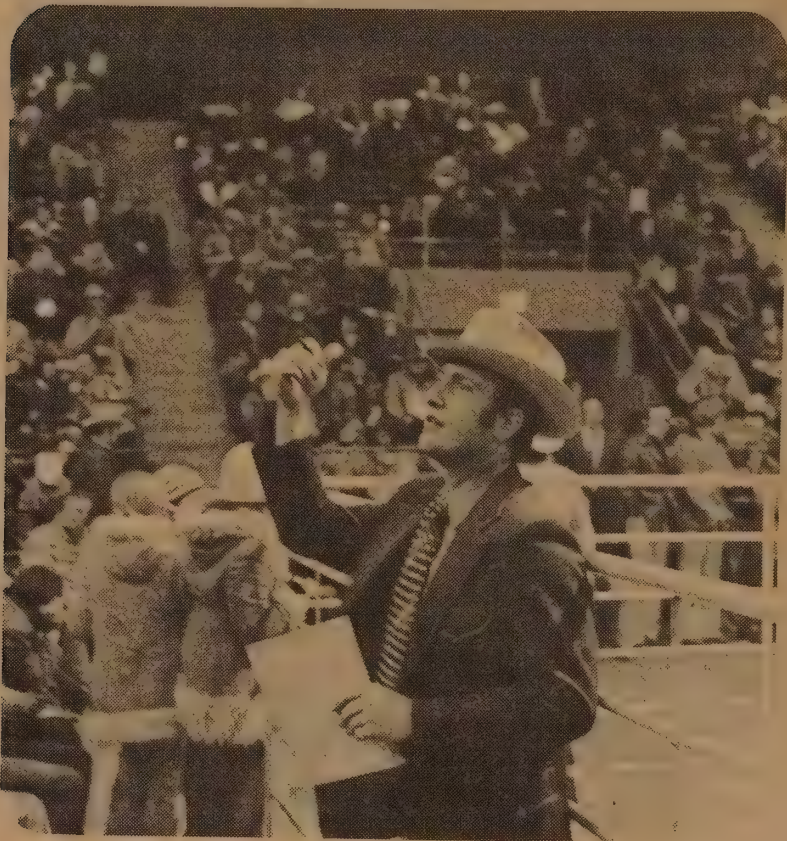

The AMERICAN ANGUS Association will pay \$50.00 to the owner of the Grand Champion carcass, if an Angus, and \$25.00 to the owner of the Champion Angus carcass.

The AMERICAN ANGUS Association will also add 20% to the on-foot and carcass premiums of \$5.00 or more in the Angus division.

The AMERICAN ANGUS Association premiums are offered for Angus steers, spayed or martin heifers (purebred, grade or crossbred) sired by a bull recorded in the American Angus Herd Book. Lloyd D. Miller, Secretary, American Angus Association, St. Joseph, Missouri.

Special Angus traveling trophies and replicas will be awarded as follows: Fargo Investment Company for Champion Angus carcass and Max Goldberg, Fargo for Champion Angus steer, halter class.

Your business partner

working for you

We cover livestock events from Calgary to Kansas City, and from Chicago to Denver. This enables our field staff to keep a daily tab on the livestock industry for more than 84,000 subscribers in the North Plains area.

We travel well over 100,000 miles each year covering all of the major livestock sales and assisting North Plains cattlemen in merchandising their livestock.

This daily updated information is available to you. If you have a question on the livestock business call Spence or Frank. Our total staff is ready to assist you with your livestock program.

NORTH DAKOTA WINTER SHOW LIVESTOCK COMMITTEE

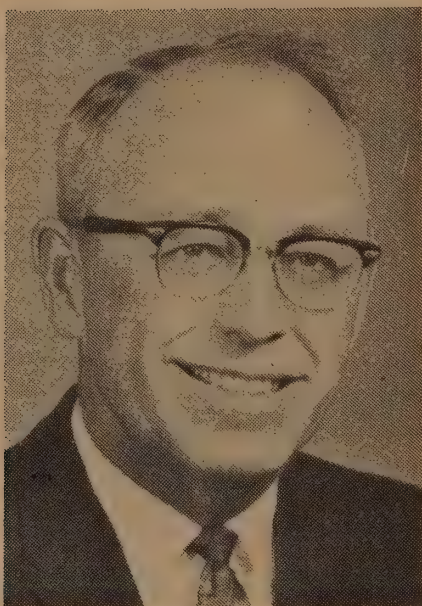

The livestock committee of the Senior Futurity of the North Dakota Winter Show takes extreme pride and pleasure in dedicating the livestock show to M. L. "Buck" Buchanan and to Larry Iverson.

If the livestock show has had any measure of success, and we believe it has, it is due to dedicated people such as these two. They have spent hours, days, weeks and years of their own time to further the livestock show here and to better the livestock industry in general in North Dakota. This 1975 Futurity is hereby respectfully dedicated to these two outstanding individuals.

M. L. Buchanan, a Kansan by birth, came to North Dakota State University in 1945 as an associate professor. Since 1946 he has headed the full department of Animal Science. Since that time he has brought the livestock herds of N.D.S.U. to national prominence. He is one of the most down to earth scientists in the academic profession. This, combined with cowboy logic, has made his advice and council invaluable concerning breed problems in the beef industry. His contributions as an educator and researcher, as a friend or just lending a helping hand are recognized by all who know him.

M. L. Buchanan

Larry M. Iverson

Larry M. Iverson served as Sales Manager of the North Dakota Winter Show from 1948 through 1973 during the time he was County Extension Agent for Barnes County. Purebred Livestock Sales during this 26-year span grossed three million dollars. As Sales Manager, he also cooperated with the various division managers and breed association secretaries on the assembly of the Winter Show catalogue and handled the livestock "check-in" chores for the Show. Always energetic, he never overlooked the smallest detail.

Iverson graduated with Bachelor of Science degrees from North Dakota State University in Applied Arts & Sciences (1938) and in Agriculture (1942). He joined the Cooperative Extension Service as County Agent in Bowman, N. Dak. in 1942. Following four years of service in World War II, he was County Extension Agent in McIntosh County at Ashley before coming to Valley City where he was County Extension Agent until his retirement in August, 1973.

Active in the affairs of both the North Dakota and National organizations, Iverson served as President of the National Association of County Agricultural Agents in 1971.

The North Dakota Bull and Heifer Futurity continues to be a powerful stimulus to breed improvement. The active participation of large and small breeders of each of the six breeds from all parts of the state indicate the acceptance of this show window of the North Dakota Cattle Industry.

The record, listed below, indicates the balance of the breeds that has been maintained during the years. This year's entries are consigned by 132 breeders.

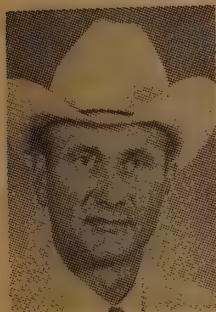

Year	Shorthorn	Hereford	Angus	Polled Hereford	Galloway	Charolais	Total
1947	79	100	79				258
1948	80	115	71				267
1949	89	104	79				272
1950	91	123	97				311

1974 Futurity Judges

Wendell Lovely, Wilsall, Montana, will judge the Shorthorns and Polled Shorthorns. Mr. Lovely was born at Livingston, Montana, and now owns and operates a livestock and wheat ranch east of Wilsall. He served in the Armed Forces and participates in many community activities. He has judged at Denver, Calgary, Brandon, and many state shows in the U.S. The Shorthorn World awarded him the "Builder of the Breed" award in 1972.

Philip Steckley, Jr., Lone Tree Galloway Ranch, Geddes, S.D., will judge the Galloway Show. Mr. Steckley has a farm and ranch in partnership with his father. They operate 2500 acres of farm and grassland, run 180 registered Galloway, a registered Angus herd and a commercial herd. He has exhibited Galloways since 1958. Phil and his wife have four children.

Harold Arendt, A & J Cattle Co., Highmore S.D., will judge the Polled Hereford cattle. Mr. Arendt was born and raised on a livestock farm in North Dakota. He served in the Armed Forces and since then has managed several ranches. Harold and his wife have 13 children. Their 5 sons have many trophies to show from their 4-H work including showing the Grand Champion steer at the International in 1968, and the champions at the National Western Show in Denver in 1972 and 1974. Mr. Arendt has judged many shows.

Arnold Wienk, purebred Charolais breeder, Lake Preston, S.D., will judge the Charolais show. Mr. Wienk was born at Lake Preston and graduated from Lake Preston High School. He serves as director of area 5 for the National Charolais Ass'n., So. Dak. Charolais Ass'n, and Cattle Reproduction, Inc. Arnold has judged several shows, received Outstanding Young Farmer Award, Who's Who in Young Men of America and Soil & Moisture Conservation Award. He and his wife have 5 daughters.

Roger E. Hunsley, Animal Science Department, Purdue University, Lafayette, Indiana, will place the Horned Herefords. Dr. Hunsley was born in South Dakota, received degrees from South Dakota, North Dakota and his Ph.D. from Iowa State University in 1967. He is in charge of the purebred beef unit at Purdue, coaches the livestock judging teams, has written several publications, judged beef cattle at most of the major shows in the U.S. including the Horned Herefords at Denver in 1975. He is recognized as one of the leading judges of beef cattle in the U.S. today.

George W. Strathearn, Manager, California Beef Council, Burlingame, California, will judge the Angus show. Mr. Strathearn graduated from California State Polytechnic University with a major in Animal Science in 1950. Presently incorporated with brother in ranching in California. They have 800 cows, 500-1000 yearlings and 1000 head capacity calf condition feedlot. George has served as manager and held office in many major organizations, participated on many panels and judged beef breeding cattle and steers at all major shows in the U.S.

ENTRY RULES

1. All purebred breeders are eligible to enter the 1975 Futurity at the North Dakota Winter Show at Valley City, North Dakota.
2. "All entries must have been bred by the exhibitor or purchased in dam" be clarified and enlarged to include: (1) calf purchased in dam be dropped in North Dakota and (2) the calf's feeding period from the time of designation, December 5th until Show date be done in North Dakota on original owner's or partners farm or ranch and to allow the joint ownership of the calf provided the original owner exhibit the calf and retain a recorded interest of ownership until after the Show. All exceptions to these rules shall be brought before the Livestock and Futurity Committee for disposition.
3. All entries must be sent to the manager by November 1, 1974.
4. Any breeder may enter from 1 to 12 head with not more than two head in any class.
5. Entry fees of \$10 per head must be in November 1, 1974. Calves to be designated by December 5, 1974.

Three Group Classes In Each Breed

Entries can be made at time of show. All animals must have been shown previously in regular Futurity classes.

1. Pair of Bulls Class. Both animals property of exhibitor. Final entries on show day. Trophy to each breed winner.
2. Pair of Heifer Class. Both animals property of exhibitor. Final entries on show day. Trophy to each breed winner.
3. Get of Sire — Three animals by the same sire. Three animals from above classes. Both sexes to be represented, need not be owned by exhibitor. Clerk is to be furnished with name and registry number of animals shown and or sire of the get.
4. Best four head — Four animals from above classes. Both sexes to be represented. Bred and owned by exhibitor.

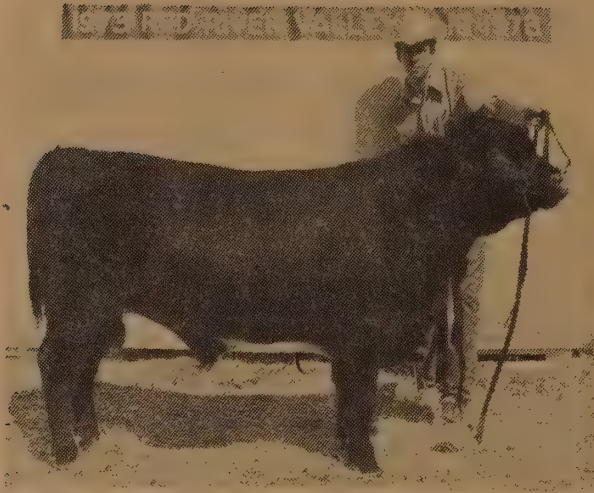

Our appreciation and thanks to The North Dakota Stockman's Association Brand Inspection Service.

Representatives of the Brand Inspection Service read and check tattoos of all Futurity Entries at no cost to the exhibitor.

SPECIAL AWARDS

The North Dakota Angus, Hereford and Shorthorn Associations will award a belt buckle to herdsman from each breed, judged to be the best housekeeper. Appearance of cattle, stall and alleys will be considered. Owner herdsman are eligible as well as professional herdsman. Each exhibitor is to indicate who is to be considered herdsman in charge. The Angus premier exhibit award will be given by the North Dakota Angus Association to the breeder who presents his cattle in the best possible manner. The McGregor Memorial Trophy will be awarded to the exhibitor of the Champion Futurity Angus Bull. The Majoribanks Traveling Trophy will be presented to the exhibitor of the Champion Futurity Angus Heifer.

The North Dakota Winter Show makes available a total of \$500.00 in cash premiums to all participating Senior Futurity Breeds. This money has been included in the premiums as set up for each breed.

1974 Champion Shorthorn Bull — Bert Moore, Mapleton, ND

American Shorthorn Premiums

The American Shorthorn Breeders' Association will increase the amount of each local Futurity premium in the Shorthorn classes by 50%.

NORTH DAKOTA JUNIOR FUTURITY

PURPOSES OF THE JUNIOR FUTURITY

1. To encourage farm boys and girls so inclined to establish the foundation for a future purebred herd.
2. To give such boys and girls competent assistance in securing high quality heifer calves.
3. To provide an incentive to do a good job with the calves, to secure the advantages of friendly competition, and to furnish inspiration to members and show spectators by providing for a state-wide showing of the calves.
4. To interest county extension agents, agricultural instructors, livestock breeders and others in helping members with care, feeding and breeding problems.
5. To promote better-paying cattle production in North Dakota.

1975 RULES AND REGULATIONS

1. Membership in the Junior Futurity is open to 4-H Club members and FFA members enrolled in beef breeding projects in North Dakota. To be eligible, a member must be nine years of age and not have passed his 19th birthday.
 - a. When a Junior Futurity member has won a Grand or Reserve Champion award with any breed twice, the member is no longer eligible to show in the Junior Futurity except the progeny from previous Junior Futurity heifers, but is encouraged to show in the Senior Futurity.
 - b. Junior Futurity member must show his own animal unless he has received prior approval from the Junior Futurity managers to use a substitute to show his animal.
2. To be eligible for exhibition in the Junior Futurity state show, the animal must:
 - a. Be a purebred animal (male or female) and must have been bred by the member or by a North Dakota breeder or purchased in dam.
 - b. Be in possession of the member by December 1, 1974.
 - c. Hereford, Shorthorn, Angus, Polled Hereford, Galloway must have been born on or before April 30, 1974 and on or after March 1, 1973.
3. Progeny from Junior Futurity heifers of past years may be exhibited.
 - a. Female progeny may be entered in the regular Junior Futurity classes for heifers.
 - b. Male progeny may be entered in a Jr. Futurity bull class. To be eligible they must meet age requirements the same as stated in item 2c.
4. Each Jr. Futurity exhibitor may enter two animals (one heifer and one bull) with provisions to enter additional animals provided they are progeny from previously shown Junior Futurity animals.
5. All entries in the Junior Futurity classes must be accompanied by an entry fee of \$1.00.

FFA entries must be approved and signed by the Vocational Agriculture Instructor by December 1, 1974.

4-H entries must be approved and signed by the County Extension Agent by December 1, 1974.
6. Registration papers showing that ownership of entry is recorded in the member's name only, are to be presented by members to the Junior Futurity managers, prior to the Junior Futurity Show.
7. Members are expected to care for, feed and water, fit and show their own calves and to keep satisfactory project records.

PICTURES FOR BLUE RIBBON WINNERS

The North Dakota Futurity and the North Dakota Winter Show Sales, will have a professional livestock photographer on hand to take pictures of the calves and members placing in the blue ribbon group. These pictures will be suitably framed and inscribed with the name of the winner and the record of his blue ribbon placing. Pictures will be taken immediately following presentation of ribbons.

GROUP STALL AWARD

A plaque and cash award will be presented to the Junior Breed Association that has the best appearing stall area. The North Dakota Winter Show will sponsor the plaque and also award a ribbon to each individual exhibitor within the winning group. Each State Breed Association represented in the Junior Futurity Show will contribute \$10 to be awarded to the winning Junior Association. Judging will take place between Saturday noon and Tuesday noon and will be based on daily cooperation, neatness, decoration, cleanliness and grooming.

JUDGING PROCEDURE

Animals are to be judged in their respective classes and lined up according to their placing.

In addition, to make the event more educational for the young exhibitors, the judge of each breed will be requested to designate (1) calves considered highly desirable for foundation animals in the establishment of purebred herds; (2) calves somewhat less desirable for foundation animals yet satisfactory for the most part; (3) calves more or less unsatisfactory for foundation animals.

The judge will select from group number one animals that he feels will make a creditable showing in the Senior Futurity. These calves win the right to show in their respective age groups of the Senior Futurity without payment of entry fees. The owners of these calves are eligible to win any premium money offered in the Senior Futurity.

The judge will designate the Grand and Reserve Champion female in each breed and the Grand Champion bull in each breed.

Premiums will be paid on a graduated basis.

JUNIOR FUTURITY PREMIUMS

A total of \$500 is made available by the North Dakota Winter Show for cash premiums in the Junior Futurity. This purse is split among all exhibitors in varying amounts depending upon placing won. In addition, each exhibitor wins a ribbon. The amount of the individual cash premium hinges on the number of animals placing in each group. Thus, until the judging is complete, the individual awards cannot be determined by the Futurity managers.

UNION STOCKYARDS LIVESTOCK MARKETING AGENCIES PLAQUES

Beautiful plaques will be awarded to Junior Futurity members having the Grand and Reserve Champion female in each breed and the Grand Champion bull in each breed. Only purple ribbon winners will be eligible. These plaques are being awarded by the Union Stockyards Company and the commission firms at West Fargo, namely: Central Livestock Association, Dakota Livestock Commission Company, Farmers Union Marketing Association, McDonald Livestock Commission Company, Montgomery & Sons.

1974 Champion Junior Futurity Shorthorn Heifer — Michael Harvey.

JUNIOR FUTURITY — SHORTHORN DIVISION

AHN INDUSTRIES INC.

Fargo, North Dakota

(701) 293-7690

The North Dakota Hereford Association is trying something different this year. John (Emmett) LaBree, Jr., Ismay, Montana and Stan Pope, Bowman, North Dakota, two commercial cattlemen, will be placing the sale cattle along with Roger Hunsley, the Hereford Futurity judge.

John (Emmett) LaBree, Jr. was born in 1934 in Ismay, Montana. Graduated from Ismay public school in 1952. He lived with his parents on a ranch east of Miles City in the Ismay area until 1957 when he married Ora Elmore and purchase his own ranch. They have four children, one boy and three girls.

They presently operate a 13,000 acre ranch. 300 cow unit plus running the calves over until yearlings, except for selling about 25 steers for 4-H club calves at local feeder shows and sales the past few years.

Mr. LaBree's goal is to raise some of the best Hereford cattle by putting to use as much high-bred-vigor within the breed as possible.

NORTH DAKOTA HEREFORD ASSOCIATION

Jim Arithson, Bowman	Director

"BASED ON CURRENT INFORMATION AVAILABLE WHICH INCLUDES THAT ON FILE AT THE AMERICAN HEREFORD ASSOCIATION, NONE OF THE PEDIGREES IN THIS CATALOG INCLUDES KNOWN, REPORTED DWARF CARRIER ANCESTORS."

— Clint Kopp, Secretary

TERMS AND CONDITIONS

Each animal will be sold to highest bidder without reserve. Cow with calf at foot regarded as a single unit, unless otherwise announced.

Any disputes as to bids will be settled by the auctioneer declaring all bids off and reselling the animal.

Each animal as soon as sold will be at the purchaser's risk, but will not be delivered until settlement has been made.

Animals sold will be fed and cared for free of charge until the day after the sale — but at the purchaser's risk and will be turned over to the purchaser or loaded on cars for shipment as he may direct.

TERMS — CASH — Unless otherwise arranged prior to the sale.

With cattle of this age limit, it is considered that the purchase is more responsible for their future usefulness than the breeder and that a breeder is relieved of all responsibility after a sale is completed. However, every possible precaution is taken to eliminate individuals with any known defects, and to assure that bred females are with calf. The entire offering will be sold at the halter and any further guarantee will be between buyer and seller.

The following guarantee is recommended for the buyer and seller:

1. All claims should be submitted in writing to the seller within six month.
2. In the case of bulls, the buyer shall give the bull an adequate trial and have him inspected by a veterinarian at buyer's expense.
3. Seller shall have privilege of trying bull after his return before making any adjustments..
4. Any guarantee is void if there is evidence of improper management in caring for the animal.
5. Seller will have the privilege of replacing with an animal of similar quality and breeding or refunding the purchase price of the animal.
6. The above guarantee is between the individual consignors and the buyer of each lot. The North Dakota Hereford Association assumes no liability, legal or otherwise, but will help in every way possible to make adjustments should it become necessary.

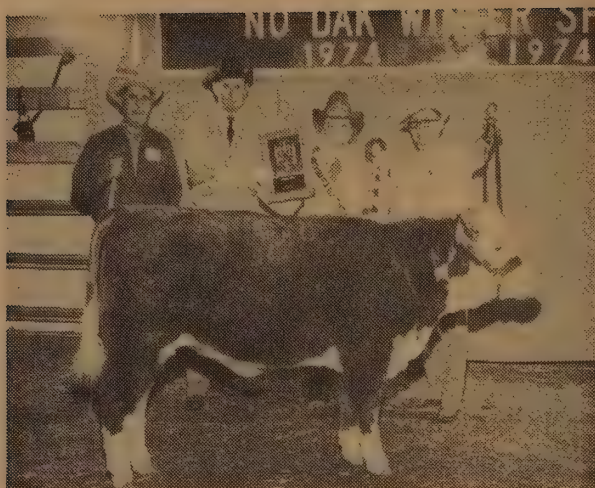

All cattle entered have been tested for Tuberculosis and Brucellosis. Cattle purchased by out-of-state buyers will have health certificates to meet requirements.

* * * * *

MAIL ORDERS — For those unable to attend, buying instructions may be sent to Clint Kopp, Box 797, West Fargo, Sale Manager, or other representatives.

PLEASE NOTE:

"Upon recommendation by the North Dakota Beef Breed Associations, it was agreed by the North Dakota Winter Show to establish a price floor of \$500.00 for bulls, \$400.00 for bred heifers and \$350.00 for open heifers in recognition of the high quality breeding cattle to be sold at the 1975 Winter Show. Should there be animals in the sale that do not merit this price, the North Dakota Beef Breed Associations and the North Dakota Winter Show do not wish these animals to go to any producer's herd."

At Melroe, putting it all together means solving problems. Agricultural and industrial problems. Our company began with one product designed to solve problems for our friends and neighbors—right here in North Dakota. And, as our line grew we kept trying to build certain qualities into our products which would benefit our customers.

Versatility is one of these qualities. We want our products to be able to perform more than one useful function. That saves our customers the cost of buying a number of "one-job" pieces of equipment.

Durability is another. We want our products to last. A good machine is good only as long

**MELROE DIVISION

BISMARCK, N.D. 58501**

Melroe Puts It All Together

as it's working well. We think our reputation for reliability has a lot to do with the fact that our labor force is almost entirely North Dakota bred and born. North Dakotans are known for doing a job right . . . the first time. And if there's a maintenance problem, our service department is there to help.

Melroe is still trying to "put it all together" to help solve equipment problems for North Dakotans. But because our markets have grown rapidly, Melroe equipment can now be found almost anywhere in the world, and that's providing us with a whole new list of materials handling and farm production solutions to work on.

TERMS AND CONDITIONS

Each animal will be sold to the highest bidder without reserve. Any dispute as to bids will be settled by the auctioneer declaring all bids off and reselling the animal.

Each animal, as soon as sold, will be at purchasers risk but will not be delivered until settlement has been made.

Terms: cash, unless otherwise arranged prior to the sale.

The cattle offered for sale are sold under terms and guarantees recommended by the American Polled Hereford Association with references to health, freedom from defects, reproductive unsoundness, and freedom from specific genetic unsoundness. The recommended refunds or adjustments will be made in case animals fail to live up to seller's guarantee.

All guarantees will be between seller and buyer.

PLEASE NOTE:

"Upon recommendation by the North Dakota Beef Breed Associations, it was agreed by the North Dakota Winter Show to establish a price floor of \$500.00 for bulls, \$400.00 for bred heifers and \$350.00 for open heifers in recognition of the high quality breeding cattle to be sold at the 1975 Winter Show. Should there be animals in the sale that do not merit this price, the North Dakota Beef Breed Associations and the North Dakota Winter Show do not wish these animals to go to any producer's herd."

PLEASE NOTE:

"Upon recommendation by the North Dakota Beef Breed Associations, it was agreed by the North Dakota Winter Show to establish a price floor of \$500.00 for bulls, \$400.00 for bred heifers and \$350.00 for open heifers in recognition of the high quality breeding cattle to be sold at the 1975 Winter Show. Should there be animals in the sale that do not merit this price, the North Dakota Beef Breed Associations and the North Dakota Winter Show do not wish these animals to go to any producer's herd."

STANDARD GUARANTEE

Standard Guarantee Recommended by the American Shorthorn Association.

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or sale in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

ELECTROGATOR®... the TOUGHEST HIDE of the business...

20YR.

WARRANTY

CHROME-NICKEL

COPPER ALLOY

STEEL PIPE

lasts 3 times longer than galvanized pipe

DURABILITY BREAKTHROUGH! Electrogator introduces a revolutionary steel alloy pipe to the irrigation industry. The improvements are worth your attention. This new alloy steel pipe resists corrosion from the atmosphere and fertilizers 3 to 5 times more than ever before. Electrogator's super-tough phenolic primer coating lasts twice as long now. This new 12 gauge alloy steel pipe is 36% stronger than conventional 10 gauge carbon steel pipe. You can shed 255 pounds in every 124' span (compared to 10 ga. carbon steel). And the list of improvements goes on and on. Like all Electrogator "firsts", the pipe is a proven product. It is not our habit to practice on our customers. Quality control is important to you and to us. Electrogator's own "pipe-rolling" mill delivers the standards you need for successful irrigating... and speaking of success, isn't that what we both are after? Investigate ELECTROGATOR today!

PLEASE NOTE:

"Upon recommendation by the North Dakota Beef Breed Associations, it was agreed by the North Dakota Winter Show to establish a price floor of \$500.00 for bulls, \$400.00 for bred heifers and \$350.00 for open heifers in recognition of the high quality breeding cattle to be sold at the 1975 Winter Show. Should there be animals in the sale that do not merit this price, the North Dakota Beef Breed Associations and the North Dakota Winter Show do not wish these animals to go to any producer's herd."

TERMS AND CONDITIONS

Terms and conditions are those adopted by the American Angus Association in 1965.

Terms of the sale are cash.

The auctioneer will settle any disputes as to bids by reselling the animal. No by-bidding is allowed.

Each animal will be at purchaser's risk as soon as sold. Cattle will be cared for, for a reasonable length of time after sale to permit ample time for removal.

Bardolier Lass CR 123 is the first "274" daughter to be sold out of our herd. The only reason we are selling her is because of the requests we have had for females from "274". And a great female she is. She was the highest indexing "274" daughter of the 1973 calf crop. A weaning weight of 499 lbs., Index of 119 and a 365 day weight of 813 lbs., Index 113. Pasture exposed to Columbus Adventure 1283 from May 31 to July 9.

J. A. Baumstarck & Sons will be at the Winter Show to demo the new Pfaff and repair all makes of sewing machines.

We will have 2 factory trained repair men at the Winter Show to answer all questions. The machines I sold will be repaired — free parts and labor.

Will sharpen scissors and pinking shears.

J. A. BAUMSTARK, OWNER

WATER PROBLEMS?

WaterMaid

OF AMERICA, INC.

WATER SYSTEMS FEATURE . . .

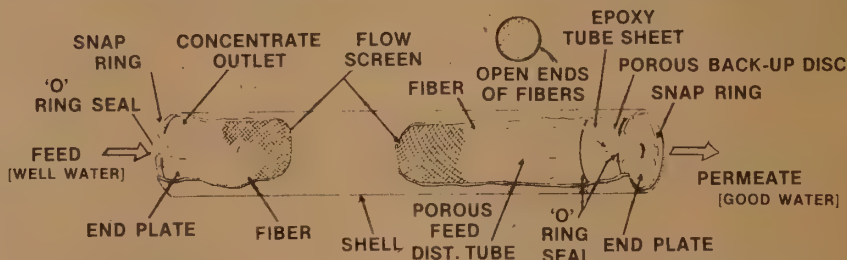

DuPont's

Permasep® reverse osmosis permeator that removes 90% of all objectionable minerals and 95% of all organics including bacteria from any water.

WaterMaid Systems eliminate all problems such as:

Sodium — Rust — Alkalinity — Nitrate — Taste — Odor — Color
Corrosion — Hardness — Bacteria — etc.

Cut-away drawing of Permasep® Permeator

® Registered trademark of the DuPont Co. for its permeating equipment.

STATEWIDE SERVICE THROUGH DEALERS

Should the permeator need cleaning a replacement can be furnished while one of our pickup trucks (that regularly call on our dealers) returns your permeator to Glenburn, N. D. for cleaning and disinfection.

*Dealer inquiries welcome
from anyone interested
in helping people with their
water problems.*

Dr. Hilton Briggs
Brookings, South Dakota

We're extremely fortunate to have Dr. Briggs as the 1975 Sheep Show judge. Hilton is one of the very few college administrators capable of working livestock shows and is in demand all over the United States. His opinion is widely sought and greatly respected.

1974 LADIES LEAD CLASS

LADIES LEAD CLASS RULES

Class A — Girls 12-21 years of age, to lead a ewe at halter.

The girl must reside in North Dakota and either she or her parents must own sheep. Her outer garment must be made of wool or a blend containing at least 75 percent wool.

PREMIUM:

1st — \$40.00
2nd — \$30.00

3rd — \$20.00
4th — \$10.00

All ewes must be led at halter. No show sticks permitted, nor can one use hands or feet in positioning the sheep's legs.

SSR Pump Company

Pumps illustrated are of high capacity, used for a variety of pumping needs, such as flood irrigation, construction job sites or wherever a large volume of water has to be moved.

The pump will operate in any depth of water, and reduces the depth to approximately 3 inches.

This pump is capable of producing approximately 6,000 gallons of water a minute and forcing water to 3,000 feet. The pump does not need any suction pipe and is capable of pumping 3,000 gallons of water a minute at a 50 foot lift using 300 feet of 12 inch rubber hose.

Either a 540 or 1000 R.P.M. PTO tractor can be used merely by changing the gear box on the pump. Horse power required — 50 to 100, depending on the height of lift. Pump may be raised or lowered hydraulically.

ROTERRA

One Tractor. . . One man. . . One trip and Field work's done!

Crop farmers throughout this area are discovering the profitability of owning a LELY-ROTERRA. It's the revolutionary minimum tillage tool that lets you till, incorporate and plant . . . *all in one pass!*

The unique rotary-tine action of the Lely-Roterra lets you prepare seedbeds *just the way you like them* in one trip. Interchangeable gears lets you match tine speed to tractor speed and soil conditions making other costly trips unnecessary. And when you combine spraying, tilling, incorporating, and planting all in one trip, you really cut down on field costs. You also lessen troublesome soil compaction.

Because soil is stirred and crumbled along its natural fault lines, soil structure remains as is. Top soil stays on top . . . moisture below. Your crops get off to an earlier start with a higher degree of germination.

The trailing Depth Control Roller maintains positive depth of the whirling tines while firming loose soil for a well-prepared seedbed. Your planter operates smoother, allowing for more precise placement of seeds.

And even the biggest, hardest clods "explode" under the whirling action of the roto-tines. From pure gumbo to hard clay, nothing stops the Lely-Roterra.

And with constant control of the tine depth, farmers report a better degree of chemical incorporation.

Your best buy in 1975 is Lely-Roterra. Figures show minimum cost of \$2.50 as a national average for working one acre with tillage equipment. If you farm 1,000 acres and save two trips . . . you cut field costs \$5,000. That kind of savings, plus better crop starts and likely better yields will make a Lely-Roterra your best equipment buy in 1975.

SALES TERMS AND CONDITIONS

1. Each animal will be sold to the highest bidder without reserve.
2. All animals must be paid for in cash on the day of the sale.
3. Animals are at owners risk as soon as purchased in the sale-ring but will be cared for, for a reasonable length of time.
4. All animals will be transferred on the books of the respective Registry Associations in the name of the purchaser and without cost to him.
5. Buyers may obtain a copy of the health certificate at no cost to them from the clerk before the animals are removed from the sale barn.
6. Breeding dates given in catalog for gilts, or as announced from the block are as accurate as the owners can provide. Claims referring to animals proving not to have been bred must be filed with the seller within one week following stated farrowing date. Gilts showing with pig in the ring are sold without recourse.
7. The North Dakota Swine Exhibitors Association and the Winter Show act as agents for buyer and seller only and accept no responsibility for the animals.
8. All gilts must be Brucellosis tested.
9. All gilts sold meet all North Dakota Livestock sanitation rules and all have a health certificate, allowing them to be shipped out of state.
10. Any gilt which farrows during the show will forfeit all premium money and will be disqualified from the sale.
11. Mail order bids may be sent to the Sale Committee Manager, Valley City, North Dakota.
12. Gate orders will be issued for all animals purchased.

WINTER SHOW LIVESTOCK SALE IN PROGRESS

Acknowledgement

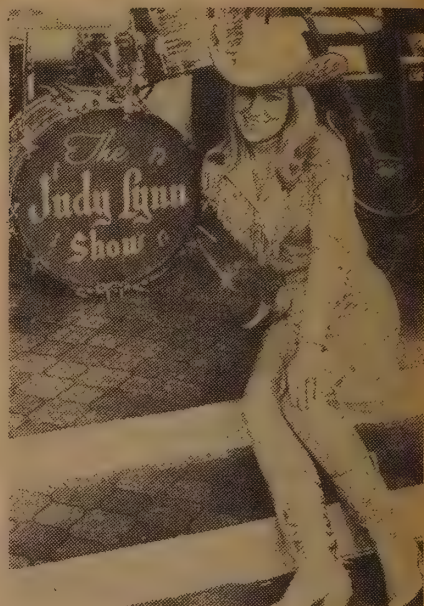

The Board of Directors and management of the North Dakota Winter Show would like to take this opportunity to express their appreciation to the Livestock Exhibitors, Commercial Firms, Press, Radio, Television and all individuals for their assistance in helping stage this Annual Show.

We feel that without the help of these people it would be very difficult for us to carry out our obligations, which are to promote all North Dakota industry, the breeding and feeding of better livestock and the growing and selection of better strains and purer varieties of seed grain.

THE NORTH DAKOTA WINTER SHOW OF VALLEY CITY Proudly Presents

THE JUDY LYNN SHOW

From the stages of Las Vegas and Reno, a mixture of Country, Western and Pop familiar in music today.

Showtimes for the JUDY LYNN Show
are 7:00 and 9:00 P.M., Wednesday, March 12
at the City Auditorium

Electronic Computerized Weighing System and Ring Scale In Action At West Fargo Stockyards

West Fargo Offers You—

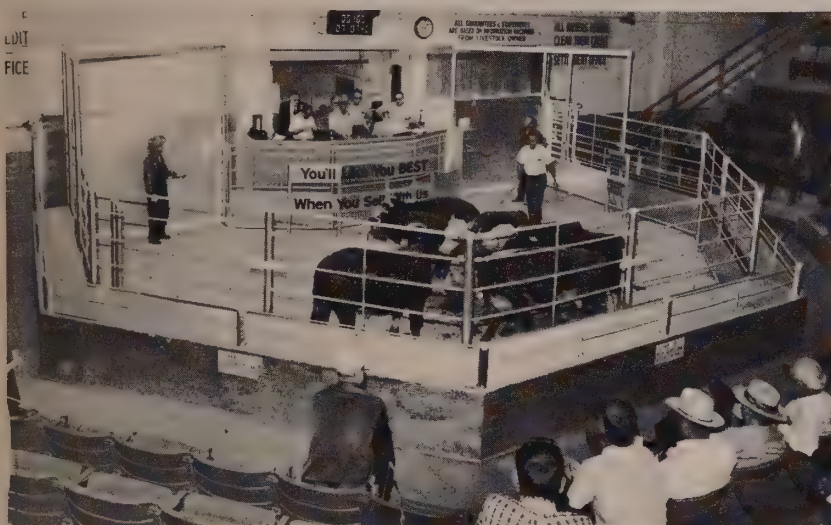

"Computerized Ring Scale With Instant Average Weights."

CHECK YOUR NEXT CHECK FOR NET RETURNS...

That Is What Makes The Difference — Not The Price Quoted!

You know that in livestock growing and feeding, it's the net return that makes the difference between profit and break-even.

Pictured below is the West Fargo ring scale and weighing system with cattle on the scale. The computer shows total weight, head count, and average weight.

Pictured above is the Fairbanks Morse Digiweigh Console, the heart of the weighing system at West Fargo. The new system is designed and streamlined to sell more head with less handling in less time and space.

AN OPPORTUNITY FOR YOU

You now have the opportunity of getting early delivery of Trojan hybrids. Since the middle of November, Trojan trucks have been delivering seed corn to Trojan dealers everywhere. If your Trojan dealer hasn't called you, why don't you call him? Tell him you want your Trojan seed delivered right away. This year's unusual seed corn situation may be an opportunity for you.

Sunday, March 9 — 2 P.M.

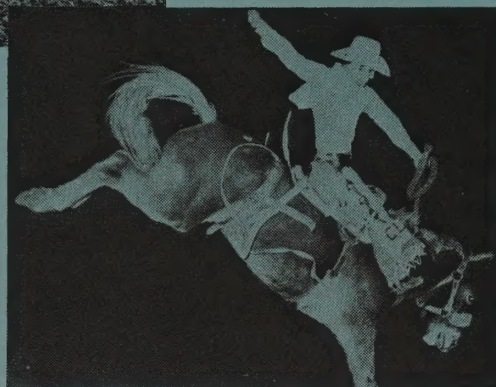

BOB ABER, Beach, North Dakota, RCA Stock Contractor and Producer at the North Dakota Winter Show since 1964, has one of the finest bucking strings in the country. Together with Jim Sutton, Onida, South Dakota, Bob brings you more National Final's stock than has ever been featured at any one time in North Dakota rodeo history. Sutton is noted for having the rankest bulls in the nation and, without doubt, is our sister state's finest contractor.

MARVIN KLEIN'S serious approach to assisting the bull fighters in rodeo's most dangerous event has brought this twenty-six year old Carson, North Dakota native to the forefront among the nation's top rodeo clowns.

SADDLE BRONC MOON RIVER, bucking off Shawn Davis, three times World Champion Saddle Bronc rider, at the Cheyenne, Wyoming rodeo.

OLD SHEP at the National Finals Rodeo. Old Shep was voted the second best horse in the world in 1974. He is a full brother of Moon River. Both broncs are owned by Bob Aber.

LARRY CLAYMAN, a highly rated clown, from Missouri, loves to entertain rodeo crowds with bull-baiting. He centers all his acts around highly trained animals. Todo, the Chimpanzee, also Roman-rides two horses.
